## ABOUT SUGUNA PIP SCHOOL

Established in 2003, Suguna PIP School is a learning community dedicated to educating and inspiring today's children to be responsible, productive, and moral world citizens. We want each student to achieve his or her dreams and to become a passionate learner prepared to adapt and contribute to a rapidly changing world.

Representing a dynamic and exciting place to be, our world-class infrastructure and facilities are complemented by a host of dedicated and committed faculty and staff. Our core values of *Compassion, Excellence, Integrity, Respect, and Responsibility* hold firm as we prepare the next generation of leaders and achievers.

By inspiring a diverse student community to find their voice, we empower them to forge deeper connections with the world around them and explore opportunities. Our long-held belief is that quality is never an accident; it results from a commitment to excellence, intelligent planning, and focused effort. Personal and social development of our youth is possible with due emphasis on our Study, Service, Skill, and Sport pedagogy. From academic prowess to sports facilities, we strive to motivate students to explore their interests and engage in our activities and year-round events.

We look forward to crafting strong and lasting relationships with our stakeholders. To members of the SPIPS family: your cooperation is always deeply appreciated. To our new members, you will find us to be a tight-knit community of dreamers, doers, and leaders.

Welcome to SUGUNA PIP School!

## FROM THE PRESIDENT'S DESK

At SUGUNA PIP School, we take immense pride in our contribution to the growth and development of our nation's youth. Whether it be our adaptive pedagogy, teaching tools, infrastructure, or the calibre of our team, we have been at the forefront of the ever-changing educational field.

This year, we scaled new heights as we successfully transitioned from the hybrid mode to fully offline classes. Owing to our dynamic approach and the backing of our stakeholders, there was minimal disruption in the lives of our students, and they continued taking part in activities, classes, and events.

We are pleased to present the annual report for SUGUNA PIP School for the 2022-23 academic year. We stayed true to our motto, "A school of new thought," as we implemented experiential learning, audited prospective technologies for our students, participated in refresher and skill-based courses for our staff, and brought a new perspective to remote schooling.

Most importantly, the pandemic has proven that our dynamic approach has paid dividends, as our institution recorded minimal disruptions in classes and activities. We look forward to building upon this methodology and cementing our position as the leading CBSE school in Coimbatore.

In 2022, we commenced the Centenary Year Celebrations for our Founder, Shri. G. Ramaswamy, with the enthusiastic participation of our students in diverse activities and functions. We look forward to hosting a new range of events next year.

On behalf of the entire team at Suguna PIP School, I thank you for your continued trust, confidence, and support.

**The President**

## **SUGUNA PIP School Alumni**

Our School has alumni across the globe, working in diverse fields and organizations. They have gone on to study at world-class institutions, including IITs, NITs, and universities in the United States, Canada, the United Kingdom, Australia, and other countries. Their time at SUGUNA PIP School prepared them to excel in all walks of life, by teaching them to be responsible, global citizens capable of dreaming and achieving their targets. During the Alumni Association's annual reunions, they revisit the school, guide current students, talk about their experiences outside school, and give back to our community.

## **Performance in Competitive Examinations**

Students at SUGUNA PIP School are encouraged to write competitive examinations such as NTSE, NSEJS, JEE Main & Advanced, CUET, and NEET-UG. These government-sponsored exams help them achieve their dreams of studying at the top universities in India. They are supported throughout the preparation stage by a team of experienced faculty, who guide and motivate them to achieve success at the national level. Some of the top-ranking students for this academic session are:
